Concept Room

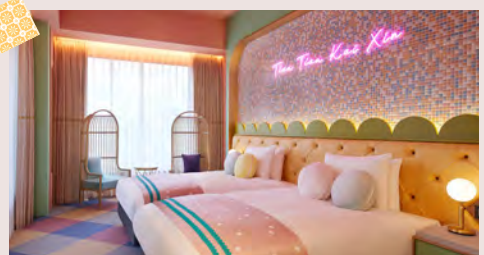

好想故鄉~Nostalgic~

The design concept was based on ancient private homes in the old city, Tainan. All interior decoration and furnishings have been made using traditional Taiwanese craft. It is a unique room which will connect people with the memories of their hometown.

好嚮九份~Retro~

Designed with the concept of the spectacular scenery of "Jiufen," the room highlights a warm atmosphere created by wooden furniture, and the recreation of illumination by the evening lights in Jiufen, guiding people into a mysterious and retrospective world.

好饗甜甜~Sweets~

Themed for Taiwanese sweets, every corner of this room is camera-worthy. Colorful decorations and exquisite furniture further spice up the travel experience in Taiwan for every valued guest.

Superior King/ Superior Twin [25.8/28.2m²]

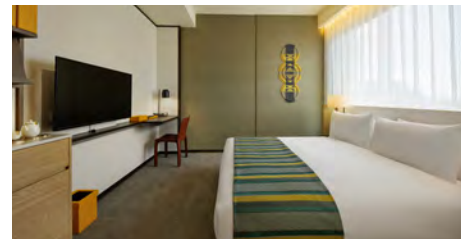

Equipped with cozy beds and a sofa bench for the comfort of your body and mind, plus a large bathtub, the space creates a peaceful feeling reminiscent of home.
 ※Some guest rooms may be furnished differently

Deluxe King/ Deluxe Twin [28.2/30.0m²]

This luxurious room is equipped with beds, sofa bench and a coffee machine, allowing our guests to spend a graceful moment sitting with comfort on the sofa by the window.

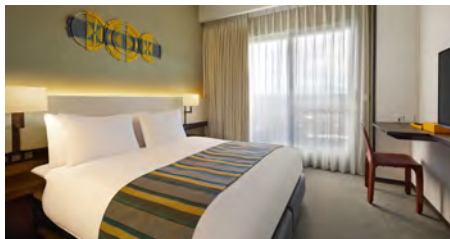

Junior Suite [60.4m²]

The entrance is absolutely private and understated, and the room size will amaze our guests with ample space exceeding 50m². It is a small paradise tucked away. With its bathroom offering a picturesque view of Taipei's night scenery and sophisticated interior design, the room demonstrates a unique travel atmosphere different from everyday life.

Moderate Queen [22.7m²]

With a cozy queen bed, the room will alleviate your travel fatigue. The space is more than large enough for two, offering a pleasant travel time.

Moderate Balcony Queen [21.0m²]

Includes a balcony and a queen bed. Located on a higher floor, the room provides you with the opportunity to overlook Taipei's vivid streets while enjoying a restful stay.

Moderate Twin [25.1m²]

With twin beds and a single seater sofa set, the space is ample enough for two people to talk about the travelling details pleasantly and spend a relaxing time together without feeling the slightest squeeze.

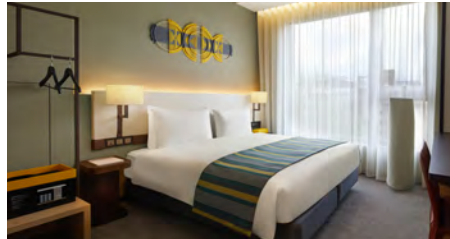

Deluxe Corner Twin [35.3m²]

The room is more spacious compared to other double rooms and includes double sinks. It is both luxurious and highly convenient.

Triple [30.0m²]

Even with three beds, the room remains spacious without giving a crowded feel. Perfect for spending some relaxing time in tranquility with family and friends.

Accessible Queen [25.1m²]

Open, large spaces are designed for both the room and its bathroom, so all valued guests including wheelchair users and elderly people can stay unworried.

Internet Connection Complimentary wifi service are provided the entire hotel and restaurant Japoli.
